

MANI H. ZADEH, M.D.

EDUCATION AND TRAINING

EDUCATION:

1998	University of California, San Diego San Diego, CA	Doctor of Medicine
1994	University of California, Los Angeles Los Angeles, CA	Bachelor of Science
1990	University High School Los Angeles, CA	High School Diploma

POSTGRADUATE TRAINING:

1999 – 2003	Resident in Otolaryngology – Head and Neck Surgery Columbia University College of Physician and Surgeons New York, NY Program Director: Lanny G. Close, M.D. Participating Hospitals: Columbia-Presbyterian Medical Center New York Hospital – Cornell University Medical Center St. Luke’s/Roosevelt Medical Center Memorial Sloan-Kettering Cancer Center
1998 – 1999	Intern in General Surgery Columbia University College of Physician and Surgeons New York, NY Program Director: Eric A. Rose, M.D.

AWARDS

2002	Distinguished Housestaff Award for Resident or Fellow New York Hospital – Cornell Medical Center, NY
2002	AAO-HNS Foundation Travel Award American Academy of Otolaryngology – Head and Neck Surgery
2002	Award For Excellence in Research Resident Research Day, New York Presbyterian Hospital, NY

- 1999 Arnold P. Gold Humanism and Excellence Teaching Award
Columbia University College of Physician and Surgeons, NY
- 1996 Award For Excellence in Research
Western Student Medical Research Forum, Carmel, CA
- 1995 NIH Summer Intramural Research Training Award
National Institutes of Health Research Fellowship, Bethesda, MD
-

CERTIFICATION AND LICENSURE

SPECIALTY CERTIFICATION

- 2004 American Board of Otolaryngology

MEDICAL LICENSURE

- 1999 New York
2002 California
-

MEMBERSHIP IN PROFESSIONAL SOCIETIES

- American Academy of Facial Plastic and Reconstructive Surgery
American Academy of Otolaryngic Allergy
American Academy of Otolaryngology – Head and Neck Surgery

NATIONAL PRESENTATIONS

Zadeh MH, Guroff G: Down-regulation of erbB-3 receptors by nerve growth factor in PC12 cells.

American Federation for Clinical research, Western region, Carmel, CA.
February 1996.

Zadeh MH, Halinski JM, Turner WJ, Harris JP: Meniere's disease from a large aberrant vein of the vestibular aqueduct.

Association for Research in Otolaryngology Midwinter Meeting. St. Petersburg Beach, FL. February 1998.

Zadeh MH, Banthia V, Huang C, Anand VK: Significance of Eosinophilia in Chronic Rhinosinusitis.

Combined Otolaryngology Spring Meeting. Palm Desert, CA. May 2001.

Zadeh MH, Storper IS, Spitzer JB: Steroid and Antiviral Therapy in Idiopathic Sudden SNHL.

American Academy of Otolaryngology – Head and Neck Surgery, San Diego, CA. September 2002.

REGIONAL PRESENTATIONS

Invasive Fungal Sinusitis.

Joan and Sanford I Weill Medical College of Cornell University Internal Medicine Conference. New York, NY. November 2000.

Significance of Eosinophilia in Chronic Rhinosinusitis.

New York Presbyterian Hospital Department of Otolaryngology – Head and Neck Surgery Residents Research Day. New York, NY. June 2001.

Also presented at New York Academy of Medicine, Section of Otolaryngology Residents' Night. New York, NY. June 2001.

Diagnosis and Treatment of Sudden-onset Sensorineural Hearing Loss: A Study of 51 patients.

New York Presbyterian Hospital Department of Otolaryngology – Head and Neck Surgery Residents Research Day. New York, NY. June 2002.

RESEARCH PROJECTS

Analysis of morphine biosynthesis in mammals.

Advisor: Kym Faul, Ph.D.

University of California, Los Angeles, 1993-1994.

Down-regulation of erbB-3 receptors by nerve growth factor in PC12 cells.

Advisor: Gordon Guroff, Ph.D.

National Institutes of Health, Bethesda, MD, 1995-1997.

GDNF protection of auditory hair cells & ganglion neurons after acoustic trauma.

Advisor: Elizabeth Kithley, Ph.D.

University of California, San Diego, 1997-1998.

Investigating the spiral ganglion neurite targeting in mice with a targeted deletion of the POU-domain transcription factor Brn-3.0.

Advisor: Allen Ryan, Ph.D.

University of California, San Diego, 1997-1998.

Significance of Eosinophilia in Chronic Rhinosinusitis.

Advisor: Vijay Anand, M.D.

Joan and Sanford I Weill Medical College of Cornell University, 2000-2001.

Diagnosis and Treatment of Sudden-onset Sensorineural Hearing Loss.

Advisor: Ian Storper, M.D.

Columbia University College of Physician & Surgeons, 2000-2002.

PERSONAL

Interests: Scuba Diving, Traveling, Golf, Volleyball, Soccer

Foreign Languages: Fluent Farsi, Medical Spanish
